## About the Department

The Department of Computer Science and Engineering has been successfully functioning since 2010. Department is committed to encourage students/researchers to carry out innovative research in the field of Computer Science & Engineering, keeping excellence in focus and deliver quality services to match the needs of the technical education system, industry and society. Our graduates have distinguished themselves in higher studies at the top Universities. They also occupy positions of eminence in the computer industry. Our Alumni remain in constant touch with us and are contributing to the development of the department. Placements for our graduates are the best.

The Department of CSE takes care of the Software & Hardware requirements of the entire Institute. The strength of the CSE Department is its Alumni, which adds a good amount of perception rating to the department by being most illustrious.

## Vision

To create a Centre of excellence in teaching, learning and professional environment in the discipline of Computer Science and Engineering addressing emerging and existing challenges striving to meet the requirement of both industry and society.

## Mission

- To provide value-based quality technical education and training with continuous improvement in the discipline of Computer Science and Engineering.
- To develop professionals to meet the requirements of industry and society.
- To promote innovation, dedication, and hard work with ethically and professionally responsible behaviour.

## HOD DESK

## DEAR READER'S

Dr. Uttam Patil  
Professor & HOD

It gives me immense pleasure to express my views on the release of "CHRONICLES" departmental news letter's first issue for the academic year 2022-2023. As you scan through the pages, it will enlighten you with the important milestones that department has achieved this year. This newsletter will cover all important events and activities of our department. Additionally, it also provides a platform to recognize and congratulate our department's placed students.

Computers are an integral part of our lives today and studying them has become a priority for students. It is one of the most preferred branches in Engineering, Thus starting intake of 60 is increased to 120 during this academic year 2022-23.

On behalf of the entire teaching faculty, I would like to thank to the team that worked for the CHRONICLES -Department Newsletter.

## DEAR READER'S

It is with great pleasure that we bring "CHRONICLES", the quarterly newsletter of JCE, CSE. With faculty that consists of bright minds and students who are keen to leave a mark, our future is in safe hands indeed. I am thankful to my students for coming up with the name of the newsletter. The current newsletter highlights the activities of our students and the achievements of faculty during the past four months. It also features visits by resource persons. The intent of this newsletter is to disseminate information about our Institute, and I hope that the readers find the issues informative and useful.

I am thankful to the faculty and staff of Department of CSE for their valuable inputs, and welcome suggestions and feedback that will help improve further.

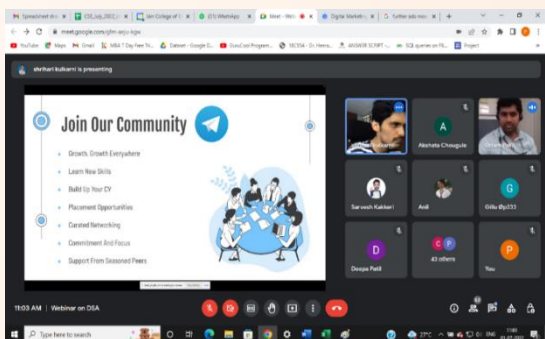

## EDITOR'S DESK

Prof. Pratik J. Deshpande  
Asst. Prof CSE

## DSA WEBINAR

Department of Computer Science and Engineering organised a webinar on **Data Structures and Algorithms** for 4<sup>th</sup> semester students. Resource person were Mr. SarveshKakkeri and Mr. Shrihari Kulkarni from Cubiccode Digital Media LLP, Belagavi

## JCE E-Library Application (2<sup>nd</sup> July 2022)

Mr. Sahil Jamidar and Mr. Omkar Belgaonkar, students of Computer Science department developed JCE e-library application. The two variants of application can be used on phones and computers. The application was launched on 2<sup>nd</sup> July 2022.

## Farewell (15<sup>th</sup> July 2022)

On 15th July 2022, the Department of Computer Science and Engineering at Jain College of Engineering, Belagavi organized Farewell for the batch of 2022 under the banner of department association "FACE" (Fraternity of Astute Computer Engineers). Dr. Uttam Patil, HOD, CSE department welcomed the gathering. Dr. J. Shivakumar, Principal and Director, JCE, Belagavi, enlighten the gathering with his wisdom words. He suggested to stay in touch with the juniors.

## Alumni Meet (15<sup>th</sup> August 2022)

On 15th August 2022, the Department of Computer Science and Engineering at Jain College of Engineering, Belagavi organised Alumni Meet. Objective of this meeting was to build alumni network and maintain endless relationships

## Parents Meet (15<sup>th</sup> August 2022)

On 15th August 2022, the Department of Computer Science and Engineering at Jain College of Engineering, Belagavi organised Parents Meet. Objective of parents meeting was to communicate the students progress in the college and to solve any difficulties the student is facing. This facilitates to develop relationships among parents and with teachers.

## 75<sup>th</sup> Independence Day Celebration (15<sup>th</sup> August 2022)

On 15th August 2022, the Department of Computer Science and Engineering at Jain College of Engineering, Belagavi celebrated Independence Day. Students of 4<sup>th</sup> semester celebrated the day, by distributing sweets and cake, and spending time at Maheshwari Blind school.

## Hackathon (21st October 2022)
