## Message from Principal

**The current issue of JCE BGM - Reflections** will take readers through the information of activities and outstanding achievements of our students, faculty and staff members of the previous session i.e., from Jan. 2022 to March 2022. Various events were organized, MoU's were signed with prominent organizations, and felicitated interaction of students and staff with experts from industry and academia on a regular basis. The college is not only growing from strength to strength in the field of academics but also is heading towards achieving accreditation status from National Board of Accreditation (NBA) and National Assessment and Accreditation Council (NAAC).

The continued excellence of our students in the academics is again reflected in achieving 12 ranks in the VTU examinations of session 2021-22. To enhance and update the knowledge of students, there are student associations under every department and professional forums which keep up the competitive spirit among students by organizing seminars, workshops and conferences. These achievements are detailed in current edition of newsletter. We congratulate all the faculty, staff and students who have contributed for the successful publication of this issue of newsletter.

Dr. J Shivakumar  
Principal & Director

## Editors' Speaks

We began this year 2022 with the launch of our first e-Newsletter JCE BGM Reflections of Jain College of Engineering. This year brought us great hope and enthusiasm for a better future ahead. The present issue is the second newsletter. Many clubs were opened in this quarter and student involvement in these was tremendous.

Dr. S Rohitraj  
HOD - MBA

This newsletter is a reflection of the activities and the events we carry out at JCE. The activities which are conducted from the beginning of this year are covered. The activities include events, fests, seminars, guest lectures, achievements of the odd semester of UG and PG programs.

Prof. Faiz Raut  
Asst. Prof, MBA
