Message from Principal

The current issue of JCE BGM - Reflections will guide readers about the journey of activities and outstanding achievements of our students, faculty and staff members of the session from April 2022 to June 2022. Various events were organized, felicitations, interaction of students and staff with experts from industry and academia were arranged. The continued excellence of our faculty/students is again reflected in star rating by MoE in IIC ranking. JCE's deserve congratulations for securing 2 out of 2 star rating for successful implementation of Institute Innovation Council activities. The in-house training for securing placements is well received by students and is the highlight of training and placement office.

JCE successfully hosted International Conference of Emerging Technology (INCET 2022) wherein participants from all parts of India and abroad have participated. To commemorate the 75 years of independence-Azadi Ka Amruth Mahotsav was celebrated in great fervor by Student Engagement Cell. UHV cell of JCE successfully conducted 21 day free yoga camp for faculty/staff of JCE and also for general public. These achievements are detailed in current edition of newsletter. Congratulations to all the faculty, staff and students who have contributed for the successful publication of this issue of newsletter.

Dr. J Shivakumar
Principal & Director

Editor's Speak

Many events were organised and conducted in these three months (April to June 2022). Students portrayed active participation and immense energy to show their talents. All the departments organised many student-centric activities. We are very happy to share with the readers that JCE has secured 2 out of 2 star rating for successful conduction and implementation of IIC Activities.

Dr. S Rohitraj
HOD - MBA

There are many college events which were organised on a grand scale are covered in this Issue. Freshers of all the departments were welcomed which was pending from 2 years. Students showed a great spirit in organizing and conducting the events. There were also many guest lectures, alumni talk for the students.
